Illinois hands, the amu-body of the people are of loved and expe which their heroic deeds has lighted up, burns clear, warm and uncessingly. The

in a deed of maranding and murder. But a will also stand of record, that the most ked feature of this era is the speciacl of fi. winess, mildness and forbearance with which this Government has grappled with

The newly elected King of Mexico demands a year before he assumes his office and tiles. Meanwhile, according to the New York Evening Post, the country over which he is to reign is to be managed by a Council of Notables, who are to be managed by Napoleon. And before the year is up, we shall have war with France in consequence of her encroachments upon this continent; and their Maximillian, the Council of Notables, General Forey and Napoleon will be kicked off the continent and into the sea, altogether, never to return any more; and that will be the end of the whole matter. DEPARTMENT OF THE SOUTH,

fantry, iged twenty years, five first four inches high, fair complexion, gray area, brown hair, and by profession a famer; bern in the State of Ohio, and enlisted in the service of his compart low City. He had with him a fariousph extending from the 37th of August to the 37th of fernismber and a manufacture of the contraction of the 18th of August to the 37th of fernismber and a manufacture.

Monais latava, S. C., Tp. m., Aug. 22.
The Spanish Coursel, Charleston, S. C.:
Gin: I have the honor to acknowledge the
receipt of your letter of this date, desiring
of me a superation of the bounhardment of
Charleston for twenty four hours, to allow
the subjects of the Spanish Government to
depart from the city.

I had suppose that acple time had been
given for this purpose. The commencement
of the attack on the defenses of Charleston,
some forty days age, is regarded as having
given phain and emphasite warning that the
city might be fired on at eny time.

Nothing, however, is fasther from my wish
than to endagger the lives or property of subjects of the Governmont which you represent,
and I confaigly scode to your request. No
mitther hombardment of Charleston need be
appreciated until eleven of check p. m., tomotrow.

I have the honor to bis, She were respecting out to the number of about one thousand. The meeting was called to order by W. H. B. Lyle, E. q. Captain G. W. Farswell, of the 28th regiment Ills. volunteers, was called to the chair, and Geo. I. Butts was appointed for the chair, and the context of the co

place to day, the people in the vicinity turn ng out to the number of about one thousand

the honor to be, Sh, very respectring and Chivalry Piforward and reported the following resultions by their chairmans:

Warmans—Our country is enjuged ins was for the preservation of our Giovernment and our Illatties, and, Warmans—as inyel and patriotic situations were as all bound by every consideration of right and justice, to ourselves, our cleanity, and out food, to reader every assistance for in power, and out food, to reader every assistance for in power, and the country of the count

A COLUMN FILM DU ENGINEET.—The Providence Journal relates that last May, while the 19th Rhode Island regiment was at

oil, rather than disease, to uphaid the lutury is a master.

Well, it has false, and we are called abolicomists because we refuse our consent to its causactation! We are proud of being called o, under circumstances so creditable to the sind and hoost. May we ever deserve the ame! We will bear its stigms joyfully brough life, and carry it into elemity with conor. We struggle in a holy cause—the nace of religion and the imman race. We saintain the sanctity of the marriage its—the delity of the husband and wife its each cher; we maintain the cause of justice, delity in the right of any man to another's bors without his sensent or compensation. f retop time of the contest to being scheecily strong energia to being scheecily strong energia a suff full. The Gipsey needs a suff on the speecil As it was to the speecil As it was to the speecil As it was to full. The Gipsey needs a said becase to bring out her speak. As it was, the Englishmen state that if the Gipsey had been in racing trim the round have beaten the hisrar easily, and the Alarm is schnowledged to be the finitest yachi in those waters.

—At the extention of the five description the Army of the Poissane, an argument for precedence in the procession look place between the Habbit and the Catholic priest, who straided the documen men. The latter claimed the first rank as representing what he considered the first of churches. The former assisted his fight as sating for the didest of faiths. The Provers Marshal decided in favor of the Rabbi.

—Ye a town near Danhurz sone means.

nying the right of ony man to another's labors without his consent or compensation. We maintain the right of the parents to the disposal of their children, and that no man, through the correlate of his power as a mater, shall deprive human beings of instruction in the Christian religion, and of the means to save their souls. On any sum be a Catholic—a believe in the Christian hith and consider the question otherwise? With the long and shing that of sames, from the carliest periods of Christianity to the present day, of Popes, Combessors and Dovelors, to sustain our position, we can not be driven from our ground—or rather we should say, the ground maintained by the Catholic Church in very say of her existence. If the question of American slavery was to be submitted to comorries to a general council of the Church in every planned to sended. The voices in his favor would be as few and small as those which is the content of the content of the country was to be submitted to more than the country of th ctir plummet sounded. The voices in its favor would be as few and small as those which hesitated to speak out boidly gith Catholic faits, when the doctrine of the itin manufactories are sounded to the control of the itin manufactories are sounded to the sounded of the manufactories and a cause or just as measured to the sounded of the sounded of the present day, without a show of reason. We have never yet seen an argument which could raise adoubt as to the property of suppressing and abolishing American abrory—much less of restoring the thing to life. Notwithstanding this, a crowd of thoughtiess men, filled to the ulmost causeity of the heart with prejudice the most insane, cry out day and highly against hany one who draws to any a word in invoce of its suppression. The very men who would prefit most by the removed of survey—the white working men, whoin the slave power has abut out from the cotton and sugaritation of the South—see the loudest and favorate in their support of slavary—it was heart of the court of the survey. We have the cotton or thoughts of sugar of the original of sugar of the original country crists. It is maybelly on a levee, or drive a noule tesso, outlets a malation must stem. The land below of the southern town, but there is anothern must stem. The land belows of the southern town, but there is anothern must stem. The land belows of the southern town, but there is anothern must stem. Fire Island baseh has week. The following is a report of the trial:

"The preliminary trials have now been made, and a range of searly fine miles obtained, and although the extreme range bells likes not been found, set the proof that they passed over certain points of the Island at a high elevation, and distant from the gan six or seven miles, is sample to satisfy suchast the point of contact with the earth was not less, in some of the shots, than eight or nine miles."

mites."

—The Dayton Journal says grapes are riging to that vicinity, and gives a formula keeping them for winter use, which is a ply to tilp the cluster in a paste of lime water—whitewas them—item hang them to dry. When used, they are to be was and acaded in warm water.

THE CITY. AN EX-DETECTIVE IN TROUBLE. FITTING FINALS TO A FUGA. It was then decided to sand Noyes to New York to took after flow—the better to enable detectives to work at \$1. Loris. It was arranged that Mr. C. Com. of Toledo, should accompany Nayes as for as that city, and that, should accompany Nayes as for as that city, and that, should accompany Nayes as for as that city, and that, should are writener of Noyes gril to found, Sheriff Best, of Buffalowho was at \$1. Loris aiding in the Investigation—should telegraph for his arrest. It is supposed the plans of Shoriff Best were successful, as Mr. Chapia, agent of the Express Company, received a Lelegram ordering the arrest of Noyes, and that he be sont back innectiately.

The dispatch was placed in the hands of Marshall Hacks, and on the arrival of Noyes, Wednarday affectment, be was acrested. His person was asserted, and that his arrest was caused by those less efficient in the detective business than himself, who are destroned or getting him out of the way that they may have the credit of feresting out the robber. He was Inpuced, and started for Sh. Lonis on Wednerday overlaigh, its first portion of the "Seldiers' Home."

The dispatch was placed in the detective business than himself, who are destroned or getting him out of the way that they may have the credit of feresting out the robber. He was Inpuced, and has Dr. Burnham. Are handed for Sh. Lonis on Wednerday overlaigh, the proposed of the saffering at Learnee, Kansan himself, who are destroned are the saffering at Learnee, the safering of the saffering at Learnee, the safering of the saffering at Learnee, the safering the money for the relief of the saffering at Learnee, Emission of the softlers Home. 80 00 A.W

lowing extracts from the advertisament were than 1 mod:

Hen. Thomas B. Erran of this city, will act as Treasured in disburging the money for the relief of the antiving at Lawrence, Kinnan.

Mrs. O. B. Homer, Mrs. Dr. Burnham, Mrs. Ambrose Foster, Mrs. Dr. Buller and Mrs. Dr. Islain, of the "Seidiers' linear," will disburse the Chicago, Ulc.

Mr. Bryan stoled that the predentan who called span him baked him if he would act as Treasurer. For the enterprise. He told him "No: that he did not want to take any past in the antiver. But it (as the man represented) he only wanted him to mostly our money to the Soidiers' rintendent's Report for the past month

be backward in responding to the calls which may be made upon them for this enterprise.

Smortarstvo.—Annie Long and Mary Selbert, two well-known shop-lifters, wend into the store of A. G. Downs & Co., or Lake street. Thursday, and purchased a spool of thread, taking the opportunity while the chark a back was ignored to selice a large roll of calitor and ascrete it under a shawl. This was observed by one of the proprietors, who had the women detained until a policemen arrived and took them in custody.

The prisoners are old offenders. They were arrested land winder and a large quantity of good found in their possession, but as the marks were destroyed the goods could not be identified, and the women escaped.

McVicken's Theaver—The Maying...
"Dol' will be presented this afternoon, assovince, This beautiful fairy play will be a great treat to the juvember, with its beautiful someory and magical changes, its visions, tableaux, songs and darces. It is worth the price of admissions to see the Theatre filled with happy young faces. Let the children see "Dol." In the owning, "The Jow of Frankfors" and "One Touch of Sainte." Mr. and Mise Couldock in both phones. Montag greeing, the "Lieu of St. Raut" will be presented, which, in self-likes to Mr. and Mise Couldock, will historice to a Chicago andience Mrs. J. B. Phillips, from the Rathman Theatre, where showen we establish of Streeties. The comes here as the leafing lady of the Theatre. FINANCIAL AND COMMERCIAL

ing lady of the Thesians.

Ruse val.—The announcement is made that Coebin, one of the old tobaces dealers, has retired from the retail trade, and is successful at 85 links street, by Horsee March, who, to his own extensive stock, has added all of Cochies, and fresh brands of genuine Havanas from New York. Curbin's corner is one of the land marks of the city, and a large number of lowers of the weed have delig made their fragrant purchases thorn. Mr. March will succeed to this trade abbett his store is a little farther down, the thresuphtane. The new store is most eligibly situated, and this change of base will work him no disadvantage.
